FESTIVAL PROGRAM

26TH SEPTEMBER TO 4TH OCTOBER 2026

ACKNOWLEDGEMENT OF COUNTRY

The Outback by the Sea Festival acknowledges the traditional custodians of the land on which we gather, Gkuthaarn, Kukatj, and Kurtijar peoples.

We pay our respects to their Elders past, present, and emerging, and extend that respect to all Aboriginal and Torres Strait Islander peoples.

We recognise their enduring connection to this land, the waters, and the skies above, and we honour their culture, traditions, and knowledge. As we come together to celebrate at the Outback by the Sea Festival, we are reminded of the deep history that has shaped these beautiful landscapes for thousands of years.

Welcome to the Outback By The Sea Festival 2026

It is with great pleasure that I welcome residents and visitors to our annual Outback By The Sea Festival a celebration of everything that makes living, working and visiting the Gulf so special.

This year, due to local comment the festival has returned to a week long program, with plenty for everyone to enjoy from the Outback By The Sea Film Festival and the Karumba Community Anglers Fishing Competition, to the Outback By The Sea Concert featuring Australian music legend Shane Howard and 19-Twenty, along with a range of free workshops, activities and events.

A special thank you to our wonderful sponsors, media partners and the Queensland Government for their ongoing support, and to everyone who helps bring this festival to life.

We are particularly excited to see the Film Festival return for its third year with Film Festivals Australia. It is fantastic to provide our community with the opportunity to enjoy some of Australia's best short films, while also encouraging and showcasing our own young local filmmakers. This year, we are thrilled to have Australian actors Steve Bastoni, Louise Child and Sullivan Stapleton joining the judging panel.

With the Film Festival and Concert both being held at the Karumba Recreation Club, grab your picnic rug, bring your chairs, gather your family and friends, and enjoy two great nights of entertainment under the Gulf stars.

Finally, I would like to sincerely thank the Council team, volunteers, local businesses, performers and everyone working behind the scenes. Events like this take a huge amount of effort, and it is wonderful to see our community come together to make Outback By The Sea such a success.

On behalf of Carpentaria Shire Council, I hope you enjoy the festival, support our local businesses and, most importantly, have a fantastic week!

19-Twenty

19-Twenty are three best mates Kane, John and Jeremy raised in the pub scene in Oz, cutting their teeth in sticky-carpet bars and late-night jam sessions. What looks accidental from the outside is anything but — it's the result of years of touring, slugging it out on the road, and a relentless hustle that's forged them into one of Australia's most dangerous live acts. A decade in, they're still pushing just as hard — and people can't stop coming back for more.

THE CRACKUP Sisters

The Crackup Sisters are Australia's only female comedy rodeo clowns. Characters S.T. Ruth (Struthie) and Rowdy Rose Ruth have been touring rural and remote Australia since 2009, covering around 60,000km a year to entertain audiences of all ages at showgrounds, rodeos, festivals and outback events.

Beloved by kids and just as entertaining for adults, the Crackup Sisters know exactly how to work a crowd. Their shows combine comedy, acrobatics, Australian stock whip cracking and knockabout larrikin humour rooted deep in outback culture. You'll be bent over laughing before you know what hit you.
